

**Boston Missionary Baptist Community Center Inc, is broad based, Non Profit Community Center initiative created to assist low-income,underserved,underprivilege individual and their children to help themselves complete their education and achieve economic self sufficiency. We accomplish this through empowerment skills, access to the affordable housing, child and youth development services, health care, capacity building support services and meaningful employment. BMBCC INC., programs are fostered to create an impact in children and adults to develop positive self-esteem and clarify their values on which to build a successful life.**

**It is essential to the organization to have certain supplies readily available. We are grateful for donations of books, pencil, notebooks etc. as well as financial contributions. This will assist us to reach our goals in meeting the needs of the people.**
